

Windsor SILHOUETTE XC

THE ALL NEW WINDSOR SILHOUETTE XC IS SIMPLY BRUTAL.
THIS IS ABOUT TO REVOLUTIONISE THE OFF-ROAD CAMPER MARKET.

If you have the off-road vehicle then we have the matching Camper to get you out and about. This fully off-road spec'd beast is the newest edition to the Windsor family and is ready to take you places you have never been before. Features including a new wind up system, which will see you without the hassle of cables, exclusive slotted furniture to floor fixing adding strength and reliability to your vehicle and a one piece roof construction capable of lifting a boat. Also to mention is the sheer look of this machine and all of its off-road stature. All these things scream two things, durability and ruggedness and this van has it in spades.

Travelling with you

SILHOUETTE 421XC is currently a prototype model
